

## Ministries Fair A Success!

Sunday, October 24<sup>th</sup>, Chapel's stewardship committee exhibited over 30 active ministries supported by the Parish. Did you know we provide that many?

After both services Sunday, the congregation was able to meet with each ministry representative, discuss the agenda for the coming year and where each could use additional help in volunteers and budget.

It was an eye-opener for many just how much vital activity for our community and worship is supported by Chapel's budget and gifts.

These displays will be placed in the narthex on a rotational basis for those who missed the Ministries Fair. Contact and sign-up sheets will be provided for those who still want to contribute or volunteer.

Many thanks to Mary Kate Wood and her husband Justin for organizing the 2010 Ministries Fair!
